

# STATE-BY-STATE ILLUSTRATIVE ESTIMATE OF IMPACT OF \$9.78 BILLION RESCISSION OF UNOBLIGATED CONTRACT AUTHORITY

Based on rescission provisions in S 2844, FY 2017 Senate Appropriations for Departments of Transportation, and Housing and Urban Development, and related agencies (Senate THUD) and Section 1438 of the Fixing America's Surface Transportation Act (FAST Act).

This illustrative estimate is based on actual balance as of 9/30/2015 and is subject to balance of unobligated contract authority as of 10/1/2016 (effective date of Senate THUD) and 7/1/2020 (effective date of FAST provision). This table also does not contain National Highway Freight Program, which is subject to rescission.

State	Interstate Maintenance	National Highway Performance*	Transportation Alternatives**	Surface Transportation Block Grant***	Congestion Mitigation and Air Quality Improvement	Metropolitan Planning	Bridge	Recreational Trails	State Planning and Research	Other****	Actual Unobligated Balance as of 9/30/15	Percent of National Total	\$2.21B Senate THUD Rescission on 10/1/2016	\$7.569B FAST Act Rescission on 7/1/2020*****	Estimated Unobligated Balance After 7/1/2020
